READ ACROSS AMERICA WEEK

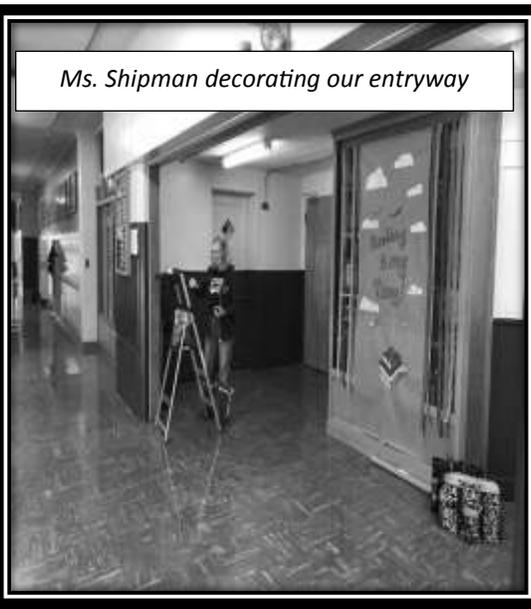

Read Across America Week was held February 26th through March 2nd at the CWL Elementary. Many fun activities were planned at the school for our students. The staff all decorated their doors to the theme of "Dr. Seuss" and Mrs. Shipman came in and once again decorated our entry way. Each day we had dress up days, a guest reader come in and read Dr. Seuss books, played some fun games and had some amazing treats and snacks and also had a readers theater. The whole focus of the week was to encourage our students to READ and KEEP READING. Thanks to all who helped or donated items or their time in any way to make this week a special one. The kids really enjoyed the week and it was made possible by teachers, staff, community and businesses working together.

HONOR CHOIR HELD IN MASON CITY

On March 1st our sixth grade students at the CWL Elementary traveled to Mason City to NIACC to participate in the North Central District ICDA Opus Honor Choir. Students chosen to participate were Kelsey Aguilar, Amber Badker, Autumn Badker, Jordann Barnett, Cole Collins, Rosalie Fox, Eli Parsons and Kaiel Tracer. Cole Collins was unable to attend due to illness, so taking Cole's place was fifth grader Josh Aguilar.

The students practiced all day and then presented a concert in the evening. The choir was directed by Jennifer Walker who is in her 18th year of teaching PK-5 General Music at Novak Elementary School in Marion, Iowa. The kids did an excellent job and represented our school in a very positive way. Congratulations Mrs. Enockson and her students who participated in this honor.

NATIONAL SCHOOL BREAKFAST WEEK

National School Breakfast Week was celebrated March 5-9, 2018 at the CWL Elementary. More than fifty percent of our students participate in the breakfast program here at school. We are fortunate to have Sandy Coyle and Tammy Vorland that make us delicious breakfast's each and every day. Studies show that children who eat breakfast perform better at school and do better at home.

IOWA ASSESSMENTS

The week of April 9th through the 13th the students in grades 3-6 will be taking the Iowa Assessment Tests. You will want to make sure your child/children are eating a good breakfast and getting plenty of rest so they can do well on the tests.

GRANDPARENT'S, SENIOR CITIZEN AND RETIRED COMMUNITY MEMBER DAY

ISEA GRANT

Congratulations goes out to the Lu Verne Education Association. The Association submitted a proposal to be eligible for a \$500 ISEA Community Outreach Grant and they were notified that they were awarded this grant. Their proposal targeted a field trip to the Science Center in Des Moines for grades K-6. The money will be used for the admission fee and left over funds will be applied to purchasing new school T-shirts for all of the students.

SPRING PARENT TRAINING MEETING

Thank you for coming to the Spring Parent Training. This particular parent training was more of a "show and tell" which incorporated the "Spring Planting" theme, giving parents opportunities to continue their child's education with ideas for fun activities at home. Today, children's authors of informational text offer science and math topics with fascinating facts and interesting illustrations; which builds on the child's curiosity about their world. Mrs. Krauss hopes to encourage and support you to remain involved in your child's education.
