### **BUSY OCTOBER**

In October we celebrated several special days. We celebrated Custodial Workers Day and said Thank you to Greg Thompson, our custodian. We also would like to Thank Dan Danielson who has been filling in for him for a short time while he recovered from knee surgery. National School Hot Lunch week was celebrated and we said Thank you to Sandy Coyle and also to Cherie Cunningham who fills in for Sandy this year when she has to be gone. We celebrated National School Bus Safety Week and said Thank you to our bus drivers Dave Poage, Linda Merkle, our Wesley Driver, Greg Thompson and Transportation Director Merrill Mueller. We also celebrated Fire Prevention Week and wanted to give a shout out to the LuVerne Fire Department for the smoke alarms that were given to every child and the goodie bags. To end the month we celebrated Red Ribbon Week and dressed up each day as a reminder to make healthy choices by living a drug free life.

Pictured are the Lu Verne (CWL) Elementary Students with their smoke detectors that were given to each student during "Fire Prevention Week" from the Lu Verne Fire Department.

### **COOKIES, COCOA and COMMUNITY**

The Lu Verne Education Association was recently awarded a community outreach grant from ISEA (Iowa State Education Association) for an upcoming project. On November 22 we will be having "COOKIES, COCOA AND COMMUNITY" celebration in the LuVerne elementary gym. This is from 9:00-11:00 and EVERYONE is invited. Join the students for talks on past and present education styles and play some bingo and enjoy cookies made by Megan Tuttle. Sandy is making great chili and cinnamon rolls if you would like to stay for lunch. If you plan to stay for lunch, please call the school to let them know an estimate of the number staying to eat.

## **AMERICAN EDUCATION WEEK**

American Education week exists to celebrate the potential of all American Students, recognize and give thanks to the teachers and professionals working within the education system as well as honoring the parents and guardians who support and encourage. It also works to continuously improve the education system and ensure that learning is lifelong and not just restricted to a classroom. Let's Celebrate all these people not only during American Education Week (November 13-19), but everyday. Thank you~
