

ANTI-BULLYING/ANTI-HARASSMENT INVESTIGATION PROCEDURES

The Lu Verne Community School District is committed to providing all students with a safe and civil school environment in which all members of the school community are treated with dignity and respect. Bullying and/or harassment of or by students, staff, and volunteers is against federal, state, and local policy and is not tolerated by the board. Bullying and/or harassing behavior can seriously disrupt the ability of school employees to maintain a safe and civil environment, and the ability of students to learn and succeed. Therefore, it is the policy of the state and the school district that school employees, volunteers, and students shall not engage in bullying or harassing behavior in school, on school property, or at any school function or school-sponsored activity.

Filing a Complaint

A Complainant who wishes to avail himself/herself of this procedure may do so by filing a complaint with the superintendent or superintendent’s designee. An alternate will be designated in the event it is claimed that the superintendent or superintendent’s designee committed the alleged discrimination or some other conflict of interest exists. Complaints shall be filed within *[state number of days - 180]* of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence. The school district will promptly and reasonably investigate allegations of bullying or harassment. The Assistant Administrator (or Superintendent) (hereinafter "Investigator") will be responsible for handling all complaints alleging bullying or harassment.

If the Complainant is under 18 years of age, the Investigator shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. - *Review and collection of documentation or information deemed relevant to the investigation.*

The Investigator shall consider the totality of circumstances presented in determining whether conduct objectively constitutes bullying or harassment. Upon completion of the investigation, the Investigator shall issue a report with respect to the findings.

Additional suggestions for administrative procedures regarding this policy include:

- *Organizing training programs for students, school employees, and volunteers regarding how to recognize bullying and harassing behavior and what to do if this behavior is witnessed; and*
- *Developing a process for evaluating the effectiveness of this policy in reducing bullying and harassing behavior.*

Decision

If after an investigation a school employee is found to be in violation of this policy, the employee shall be disciplined by appropriate measures, which may include termination. Individuals who knowingly file false bullying and/or harassment complaints and any person who gives false statements in an investigation may be subject to discipline by appropriate measures, as shall any person who is found to have retaliated against another in violation of this policy. Any student found to have retaliated in violation of this policy shall be subject to measures up to, and including, suspension and expulsion. Any school employee found to have retaliated in violation of this policy shall be subject

to measures up to, and including, termination of employment. Any school volunteer found to have retaliated in violation of this policy shall be subject to measures up to, and including, exclusion from school grounds.

NOTE: School districts must include a number of requirements in the district anti-bullying/anti-harassment policy. This regulation builds on the requirements addressed in IASB sample policy 104 by more specifically detailing sample investigation procedures. Districts should ensure that the district's practice is reflective of the policy and regulations that the district's leadership team has established. Please remember that the procedures outlined here should be consistent with the policy.

NOTE: Some conduct that falls under a school's anti-bullying/anti-harassment policy also may trigger responsibilities under one or more of the federal and state antidiscrimination laws. By limiting the response to a specific application of its anti-bullying/anti-harassment disciplinary policy and the accompanying procedures, a school may fail to properly consider whether the alleged conduct also results in discriminatory bullying and/or harassment.
