NATIONAL CUSTODIAL WORKERS DAY

October 2nd is National Custodial Workers Day and we want to say thank you to our Custodian at the CWL Elementary, Greg Thompson. Greg started working for Lu Verne Community School District on May 4, 1992, which means he has been working for the school for 27 years.

NATIONAL WALK DAY

On October 2nd the CWL Elementary will be participating in the Fall National Walk Day. This is where everyone drops what they are doing and walks for 30 minutes. By doing this we can make students aware early on of the health benefits they will gain by getting active.

NATIONAL SCHOOL HOT LUNCH WEEK

National School Hot Lunch Week is celebrated the week of October 6-12 this year. The Theme for this year's celebration is "School Lunch, What is on Your Playlist"? The 2019 spotlights how today's school cafeterias are serving up the menu items that kids want to eat with increased choice and customization. We here at the CWL Elementary want to say Thank you to our Food Service Director Sandy Coyle for making and serving up all the meals that are on our playlist. Everything is on the "Top Ten List"!

Fire Prevention Week

The National Fire Protection Association (NFPA) has announced "Not Every Hero Wears a Cape, Plan and Practice Your Escape" as this year's theme for Fire Prevention Week which is being celebrated starting on October 6th through the 12th. It is known that **SMOKE ALARMS SAVE LIVES**. Every home should have a working smoke alarm on every level of the home including the basement, outside each sleeping area and inside every bedroom. When a smoke alarm sounds, everyone should leave the home and everyone should know their home fire escape plan. If the alarm sounds, you need to do four important things:

1. Get up and walk, don't run, but you should walk briskly
2. Remember to know two ways out of every room
3. Get yourself outside quickly
4. Go to your outside meeting place

The CWL Elementary would like to recognize all of our local firemen for helping keep our communities safe each and every day.

National School Bus Safety Week

National School Bus Safety Week will be celebrated this year starting on October 21st and running through October 25th. The theme this year for this week is, "My School Bus, The Safest Form of Student Transportation. The number one priority of every school bus driver is to safely transport their students, which is why this National School Bus Safety theme is great. Bus drivers do more than pick up and drop off students; they are the students first and last interaction with school every day. The CWL Elementary would like to say thank you to our Bus Drivers, Dan Danielson, Linda Merkle, Dave Poage and Greg Thompson.

Red Ribbon Week/Bullying Prevention Month

In October we celebrate Red Ribbon Week and Bullying Prevention Week. Red Ribbon Week honors the life of US Drug Enforcement Administration Special Agent, Enrique Camarena who was killed while investigating one of Mexico's biggest drug dealers. After his death a Congressman from California helped organize Camarena Clubs where members wore red ribbons and pledged to be drug free. In 1988 The United States Government named the last week in October as "Red Ribbon Week". Celebrate Red Ribbon Week and Bullying Prevention Week not just for a week, but for LIFE! "Good Character, Good Choices, BE DRUG AND BULLY FREE.
